

CHANGEMAKER WORKBOOK

**A MILLION
ACTS *of* LOVE**

AMILLIONACTSOFLove.COM

Welcome A MILLION ACTS OF LOVE CHANGEMAKER WORKBOOK

This workbook is designed to help you turn your passion into action. Whether you want to make a difference in your community, raise awareness about an important issue, or create lasting change, this is the perfect place to start. Through a series of activities, you'll set clear goals, plan your project, and reflect on the impact you've made. Each step is here to help you stay focused, organized, and motivated along the way.

By the end, you'll have the tools to be a true changemaker and make a positive impact on the world—one act of love at a time.

Contents

STEP 1
FIND YOUR PURPOSE

STEP 6
PROMOTE YOUR PROJECT

STEP 7
IMPLEMENT YOUR PROJECT

STEP 8
CELEBRATE YOUR SUCCESS

STEP 9
REFLECTION

A Million Acts of Love: Changemaker Workbook

Step 1: Find Your Purpose

Every great project starts with a powerful WHY. Why do you want to create change? What issue or cause do you feel strongly about?

Activity: What Matters to You?

- Question 1: What issue or problem do you care about most? (Examples: bullying, education, climate change, mental health, poverty, animal welfare)

Write your answer below:

Poverty and injustice are the issues that matter the most

- Question 2: Why do you care about this issue?

Write your answer below:

- Question 3: How can you use your skills or talents to help raise awareness or solve this issue?

Write your answer below:

Tip:

Look around your school, neighbourhood, or community. What could be better? This is often a great place to start.

Step 2: Set Clear Goals

Now that you've identified your cause, it's time to set a clear goal. A goal helps to keep you focused and gives your project direction.

Your goal should be SMART—Specific, Measurable, Achievable, Relevant, and Time-bound.

Here are some examples of SMART Goals:

1. Goal: Organize a community clean-up event involving at least 5 volunteers in the next month.
2. Goal: Raise \$100 for a local charity through a bake sale at school by the end of the semester.
3. Goal: Educate 20 students at your school on mental health awareness through an informational event or presentation by the end of the school year.

Activity: Set Your SMART Goal

- Specific: What exactly do you want to achieve?

- Measurable: How will you know if you've succeeded?

- Achievable: Can you realistically complete it with the resources available?

- Relevant: Why is this goal important to your cause?

- Time-bound: When do you want to achieve this goal by?

Write Your SMART Goal:

Step 3: Plan Your Project

A strong project starts with a solid plan! Now it is time to break down the steps you need to take.

Activity: Create Your Plan

Project Planning Worksheet

Task	Deadline
Ex. Choose a venue	November 15

Time Management Tip

Set deadlines for each task to stay on track.

Step 4: Build a Budget

Not all projects require a budget, but knowing how to manage resources is key!

Activity: Create Your Budget

What resources do you need for your project? Example: Flyers, snacks, venue rental etc

Estimate the cost for each item. Example: Flyers = \$10, Venue rental (free – provided by school)

Where can you get the resources? Example: Sponsors, donations from local businesses

Budget Planner Worksheet

Item	Cost

_____	_____
_____	_____
_____	_____

Step 5: Build Your Team

You don't have to do this alone. Depending on the size of your project you may need help from a team.

Activity: Team Building

Who will help you? Write down the names of your teammates.

What tasks will each person take on?

Name	Task
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Step 6: Promote Your Project

Let everyone know about your project! Use social media, posters, etc

Activity: Create a Social Media Plan

Platform: Which platforms will you use? (e.g., Instagram, TikTok, Facebook)

Hashtags: What hashtags will you use to get noticed?

Engagement: How will you keep your audience involved?

Tip:

Make your posts fun and visual. People love exciting, creative content!

Step 7: Implement Your Project

Now that your project is planned, it's time to take action! This is where all your hard work starts paying off. Follow these steps to keep your project on track and successfully bring your idea to life.

1. **Launch Your First Action** Start with your first task. Whether it's reaching out to someone, organizing a meeting, or setting up an event, it's important to get the ball rolling.
 2. **Stay Focused and On Track** Break your tasks into small, manageable pieces. Focus on completing one task at a time and check your progress regularly. Keep moving forward, even if you hit obstacles.
 3. **Adapt as Needed** Things may not always go according to plan. If you run into a challenge, adjust your approach and keep going. Flexibility is key to success.
-

Activity: Create Your Implementation Checklist

To ensure everything is covered, create your own checklist with tasks and any details you need to track. This will help you stay organized and make sure nothing slips through the cracks!

Examples of tasks to include:

- Booking a venue or organizing supplies
- Creating promotional materials (flyers, social media posts)
- Setting up for your event

Tip: Keep your checklist visible and updated throughout the process. It will help you track your progress and stay on top of each task as your project comes to life.

Step 8: Celebrate Your Success

Celebrate your hard work and success! It is not necessary to have reached your goal to be successful.

Activity: Celebrate and Share Your Success

How will you celebrate your success? Make sure to thank anyone who helped you!

How will you share your success with others? (Social media post, write an article for school news letter, write an article for local news outlet etc.)

Step 9: Reflection

Once your project is complete, it's time to reflect on your success.

Activity: Track Your Impact

How many people did you reach?

What feedback did you get from participants?

How did the project make a positive impact?

What challenges did I face, and how did I overcome them?

Additional Resources

Canva: Design eye-catching posters, flyers, and social media content.

Google Docs/Sheets: Organize tasks, budgets, and timelines.

Conclusion: You Are a Changemaker!

By completing this workbook, you are not just finishing a project—you're creating real, lasting change in your community. Every idea you have has the potential to inspire and make a big difference.

THE CHANGEMAKER BEHIND A MILLION ACTS OF LOVE

Felix Townsin, founder of A Million Acts of Love, launched this global movement in memory of his sister Lexi, who passed away in 2019 from a rare disease called Blau syndrome.

At just five years old, Felix wrote *Don't Floss Your Toes*, a book that raised over \$75,000 for rare disease research and helped establish the Cure Blau Syndrome Foundation. By the age of nine, he produced the documentary *Me, My Sister and Blau*, connecting families and researchers around the world and bringing new awareness to this ultra-rare condition.

Beginning at age ten, Felix took the global stage—speaking at medical conferences, rare disease summits, and mental health and grief events—sharing his experiences and advocating for those affected by rare diseases.

At 14, Felix founded A Million Acts of Love with the ambitious goal of inspiring one million acts of kindness by Lexi's birthday, December 16. He launched the campaign with a benefit concert that raised the funds to establish the **A Million Acts of Love Grants**—a program designed to support young changemakers with the resources to turn their ideas into meaningful action.

With global participation and support from communities, organizations, and youth around the world, Felix reached his goal—showing the power of collective action

The **A Million Acts of Love Changemaker Program** was inspired by Felix's belief that anyone—at any age—can be a changemaker.

A MILLION ACTS OF LOVE GRANTS

Empowering Tomorrow's
Changemakers

What We Offer: Grants from \$100 to \$1,000 are available to support young changemakers.

Who's Eligible to Apply: Youth aged 6-18 with an impactful idea for a charity or social project.

How to Get Involved: Young changemakers can apply for a grant by sharing their idea with us. We'll review your project and see how we can help turn it into a reality.
