

Project Proposal: Digital Marketing for Small Businesses Webinar Series

Introduction

The **Digital Marketing for Small Businesses Webinar Series** is a two-day virtual event hosted on Zoom, designed to provide small business owners with the tools and knowledge needed to grow their online presence. This initiative offers practical, expert-led training that supports business success through modern digital strategies like SEO, social media, and content marketing.

Project Goals

This 2-day event will:

- **Host two live Zoom training sessions** on March 22nd and 23rd, 2025
- **Engage at least 800 small business owners** in hands-on, results-driven digital marketing instruction
- **Provide downloadable resources** such as SEO checklists, content calendars, and marketing templates

These goals support digital literacy and sustainable growth for entrepreneurs and local businesses.

Methods and Strategies

To ensure participation and impact, the event will include:

- **Expert-led Zoom sessions** on SEO, social media, and digital content strategy
 - **Live Q&A discussions** to address real-life business challenges
 - **Access to ready-to-use resources** including marketing templates and planning tools
 - **Outreach through business networks, chambers of commerce, and social platforms**
-
