

Project Proposal: Youth Entrepreneurship Development Webinar Workshops

Introduction

The **Youth Entrepreneurship Development Webinar Workshops** is a two-day virtual event hosted on Zoom, designed to empower young individuals with the knowledge and tools needed to launch and manage their own businesses. Through engaging, hands-on workshops led by business experts, this initiative will provide practical guidance in financial literacy, business planning, and entrepreneurial thinking.

Project Goals

This 2-day event will:

- **Host two interactive entrepreneurship workshops via Zoom** on March 22nd and 23rd, 2025
- **Engage at least 1,000 youth participants** in practical, expert-led sessions
- **Provide downloadable business planning templates, budgeting tools, and startup guides**

The project aims to spark entrepreneurial thinking and contribute to long-term economic growth through youth empowerment.

Methods and Strategies

The initiative will use:

- **Live Zoom sessions** focused on entrepreneurship, financial literacy, and business planning
 - **Interactive components** including breakout group exercises, business pitch activities, and budgeting simulations
 - **Free downloadable resources**, such as startup templates and financial tools
 - **Targeted outreach** to youth networks, schools, community groups, and entrepreneurship hubs
-
